

Fujifilm **Custom Logo** Barcode Labeling Requirements And Information

NEW FEATURE	Fujifilm offers the option to print a company logo on applicable barcode label types*.				
LABELS	<p>Fujifilm is an authorized supplier of EDP Colorflex Tri-Optic Labels. These labels are printed in-house at our Bedford, Massachusetts facility.</p> <p><u>Some</u> custom logo barcode label types have already been set-up. These new label type part numbers end with the letter "L", to signify a custom logo label type. Allow 7 business days for initial set-up of <u>new</u> custom logo barcode label types.</p>				
ORDERING REQUIREMENTS	Minimum order requirement is 100 pieces.				
ORDER PROCESSING	<p>To ensure on-time delivery and safe shipping, orders must be processed in Fujifilm standard case quantities.</p> <table border="1"> <tr> <td>DLT® — 20 pieces</td> <td>LTO — 20 pieces</td> </tr> <tr> <td>SDLT — 20 pieces</td> <td>3592 Enterprise tape — 20 pieces</td> </tr> </table> <p>*Custom Logo Barcode Labeling is <u>not available</u> for 3590 Enterprise tapes and 4mm DDS/DAT 72 tapes.</p>	DLT® — 20 pieces	LTO — 20 pieces	SDLT — 20 pieces	3592 Enterprise tape — 20 pieces

BARCODE LABEL ORDER FORMS	<p>Forward a JPEG image of the company logo to your Fujifilm Sales Representative (<u>on the initial custom logo barcode label order only</u>). The recommended dimensions for the logo are 1.2" W x 0.16" H, although dimensions vary depending on label type.</p> <p>A sample label, with the company logo will be provided to the end-user for approval of the artwork. Once the artwork is approved, the company logo will remain on file.</p> <p>Complete the corresponding Custom Logo Label Order Form (LTO/DLT/SDLT tape) or Custom Logo Label and Initialization Order Form (3592 Enterprise tape).</p> <p>All Label Order Forms included in this folder can be accessed from the enclosed CD or at www.fujifilmusa.com/datacenterservices.</p> <p>In order to eliminate mistakes or inaccurate order placement caused by handwritten forms, Fujifilm suggests that you access the forms from the enclosed CD, complete the form electronically and print the form for fax submission.</p>				
FAX	Fax the completed form with the cartridge Purchase Order to 914-789-7930.				
ORDER PROCESS TIME	<p>Barcode Labeling: Allow 2 business days, after approval of artwork, for order process time. Order exceeding 5,000 pieces may require additional processing time. Orders received by 2:00pm EST are considered received on that date. Orders received after 2:00pm EST will be considered received the following business day.</p> <p>Barcode Labeling and Initialization: To be determined at time of the order.</p> <p>Contact Fujifilm Customer Service at 800-488-FUJI (option #3).</p>				
TRANSIT TIME	Allow 2-5 business days for transit time. Fujifilm ships via ground transportation. Customer is responsible for air freight charges, if requested.				
INITIAL SET-UP AND ARTWORK APPROVAL TIME	Allow an additional 3 business days for processing of the artwork label samples, for both barcode labeled product (LTO/DLT/SDLT tape) and labeled and initialized product (3592 Enterprise tape). This applies only to the initial order. Approved artwork will remain on file.				

Due to the custom nature of barcode orders, all barcode labeled media is final sale and not returnable.
